

Technology & Tools Explorer Game 2023

Thanks for participating in the Technology & Tools Explorer Game 2023. Our aim here is to create some interaction between conference attendees and the Technology & Tools providers that are sponsoring the Summit. In order to be eligible and enter the draw for winning a great prize and earning the title of Technology & Tools Pro, you need to not only find answers to the questions below but also interact with representatives of virtual booths through their chat boxes.

To answer these questions, you may visit the virtual booths of the technology & tools providers in our Expo at <https://online.projectcontrolsummit.com/expo> and review the content in their virtual booths. Once you have your answers, please go to <https://online.projectcontrolsummit.com/explore> and enter your answers by the end of May 4th, 2023 (Before the start of the third day of the conference) for a draw to win a great prize and the title of Technology & Tools Pro. Please note that you need to score over 70% and have a good interaction with various Technology & Tool providers (sponsors) through their chat boxes in order to qualify for entering the draw.

1. How many products are there in the Deltek's Project Portfolio Management (PPM) Suite?
